

**Q1 What are included in Computer Science? Please give your own opinion. (Please list at least ten concepts in computer science)**

Communication  
Network  
Internet  
Computer  
Computer Science  
Mathematics  
Hardware  
Software  
Operating System  
Application  
Program  
Data Structure  
Algorithm  
Program  
Programing language  
Code  
Computing  
Information  
Machine Learning  
Data  
Protocol  
Internet  
Internet of Thing

Q2 What are the relations of the above contents? (Please draw a relationship diagram according to your understanding.)
